RELEASE OF ALL CLAIMS: In return for being allowed to participate in rides or any other activities sponsored by the Portland Wheelmen Touring Club (PWTC), I, the undersigned, and my executors, successors, and assigns agree that under no circumstance will a claim be made for negligence or gross negligence, for any damages for personal injury, property damage or loss, wrongful death, or any other injury or loss incurred in which the PWTC, its members, ride leaders, officers, agents, employees and sponsors participate.

I acknowledge that cycling is an inherently dangerous sport and fully realize the dangers of participating in this event. I acknowledge that this event is extraordinarily challenging, and that I am in sound medical condition, capable of participating in the ride without risk to myself or to others. I further understand and agree that for my personal safety, I am required to and will wear an ASTM, CPSC, or Snell approved bicycle helmet. I will ride safely, legally and courteously in any PWTC ride. Refusal of any of these requirements gives the PWTC the right to ask rider to leave the ride.

### IMPORTANT NOTES ON SAFETY AND TRAFFIC LAWS:

Be aware of and yield to vehicular traffic on the road. When traffic approaches from the rear, move out of the way of traffic as safety allows. When riding in a group, call out applicable warning to your fellow riders and ride single file. Always maintain a safe distance between you and other cyclists.

### Obey all traffic laws • Use common sense and be courteous, not only to fellow riders, but also to vehicular traffic.

PWTC events use public roads, requiring the observance of traffic laws. Riders disregarding traffic laws have a very damaging effect on the ride in general. These violations can be the reason for authorities not granting permission for future organized event rides. One rider violating traffic laws affects all other riders. It's reasonable to believe that if one does it, they all do.

**PWTC reserves the right to ask a rider to leave the event for refusal to ride safely and lawfully.**

If the named entrant is a minor, then a legal guardian must sign for him/her in the space below. Minors who do not have a signed Release of Claims on file with the PWTC may not participate in PWTC activities.

X \_\_\_\_\_

Date: \_\_\_\_\_

Signature of entrant (or parent or guardian if entrant is under 18 years old)

**Please complete one entry form per entrant. Tandem entries must complete two entry forms. Entry forms may be photocopied. No confirmations of entry will be sent. Entry form must be completed for each applicant and volunteer.**

## What's your pleasure for the 2017 Pioneer Century?

**For your riding enjoyment, returning riders will find routes have been modified from slightly to significantly to add freshness, challenge or safety. We hope you enjoy our revisions & additions.**

**8 miles / FRONTIER FAMILY:** This easy route is perfect for adults riding with children. The Pioneering kiddos can ride their own bike, be on a tag-a-long or in a trailer. View the farmlands and Cascades from quiet roads. This little ride will show the younger cyclists the joys of road riding and includes their own mini rest stop. Minor children must be accompanied by an adult.

**34 miles / ELLIOTT PRAIRIE:** This pastoral course gives you all the rural splendor and quiet roads of the longer routes without any long sustained climbing. With less than 1000' of elevation gain, it's the perfect fit for the newer rider or those who aren't quite ready for the longer distances.

**62 miles / SAWTELL PASS METRIC CENTURY:** For returning riders this route will look familiar as you explore the Molalla-Canby area. You'll find a total of 3390' of elevation gain to challenge you...but those climbs are going to reward you with exciting vistas of the Mt. Hood Territory.

**62 miles / VALLEY METRIC CENTURY:** This brand new route offers a less challenging metric century for those who want some good scenic mileage without a lot of climbing. At 1880' of elevation gain many riders will find this suits their needs to perfection.

**100 miles / HERITAGE HUNDRED:** Our new full century gives you 4,320' of elevation gain with rest stops approximately 26 miles apart. For returning riders, you will find this loop takes you over miles of rolling hills and farmlands *WITHOUT* returning to the fairgrounds until mile 100. That's right...do the entire century, then come back to the fairgrounds!

**104 miles / HERITAGE PLUS:** Love to climb?...Add the Sawtell Pass Loop to your ride for 500' more of elevation excitement.

### ATTENTION ALL PIONEER RIDERS!

You will enjoy having a nice catered meal waiting for you upon completion of your preferred route IF YOU PRE-REGISTER AND ORDER A LUNCH. Please note that our caterer, Catering Rides Northwest, will provide their ever popular fajitas. Reserve yours as you register - only \$8.  
**Remember, you must order your lunch with your pre-registration.**

After your meal peruse the various booths at the fairgrounds including Zing Bars, St. Joseph's Winery & Beer Garden and other vendors.
